You may choose any amount of products for your monthly order, and you will receive one free shipment of this order for every 11 months of payment within a 1 year time frame.

For example, if you start the monthly plan in May, and you wish to have your celebratory free month in June, you will get a free shipment of product(s) in June with the expectation that you will continue automatic receipt of these products with automatic payment for the next 10 months. You may cancel the monthly order at any time, but if your cancellation occurs after the free month and before the obligatory 11 month receipt of payment, we will simply need to charge you for the celebratory month that you already received.

We will charge your credit card each month, except for your chosen FREE month, on the day or after your ordered products are shipped. All "Monthly Orders" will ship within the first two weeks of every month.

This order is continuous until you cancel. The pricing will remain fixed for at least the first year of the order. Subsequently, after one year of continual service, if you are not notified, within two months prior to the start month of automatic renewal of this order concerning new pricing, the original prices will remain intact.

Please sign and date below in agreement to receive and pay for the products chosen according to the terms stated on this form. You will receive a confirmation e-mail after your order is faxed.
